

Oral Exam QM III - 2018/2019

Organization of the exam: You will have **at least 50 minutes** to prepare your answer and **around 20 minutes to present it** to the examiners. We expect you to be available in front of the exam room **30 minutes before your entry time**. If you are not and we ask you to come in, the time will be deducted from your preparation time. You will not be allowed to access **any** source of informations.

Preparation: Upon arrival, you will pick a random ticket. Each ticket will contain one theory question and one original exercise. The list of theory questions will be available on Moodle in advance. **The answer will need to be written down in a way readable and understandable by the examiners**. When picking up your question, if you do not understand it, do not hesitate to ask the professor for clarifications.

Examination: You will answer your ticket by presenting your paper sheets to the Professor and the expert. You may also be asked additional questions. **The blackboard will not be used during the examination**. Please note that your paper sheets will be kept by the examiners.
