

## Check Points: Towards self-reproduction

If you are not able to answer some of these questions, first check the slides and lecture notes. If you still do not understand the question, send me an e-mail at [Dario.Floreano@epfl.ch](mailto:Dario.Floreano@epfl.ch)

- What are the two types of self-reproduction
- What are the two requirements of self-assembly
- What is programmable self-assembly
- What is evolution used for in the Xenobot project
- How do Xenobots self-replicate
