## How to access your Moodle course page?

→ First, log in (top right of your screen):

	▲2 English (en) ~	Log in
		<

Once you're logged in, find your course under "My courses". They are displayed in "current", "future" and "past" based on the start date of the course. You can also simply select "All" to ensure your course is visible!

Welcome back, Khalil! 👋
