

How to make grades visible to students?

For students to see their grades, the assignments must be "visible".

Example 1 :

- Assignment 1 is set to « Show » and assignment 2 is set to « Hide »

Result (student view) :

Grade item	Calculated weight	Grade	Range	Feedback	Contribution to course total
Test show/hide grade					
Assignment 1	-	100.00	0-100	-	-
Course total Simple weighted mean of grades.	-	-	0-100	-	-

Example 2 :

- Assignment 1 and 2 are set to « Show »

To make assignment visible : Click on Edit > Show

Result (student view) :

Grade item	Calculated weight	Grade	Range	Feedback	Contribution to course total
Test show/hide grade					
Assignment 1	50.00 %	100.00	0-100	-	50.00 %
Assignment 2	50.00 %	80.00	0-100	-	40.00 %
